### Chapter 1 by dtfe

"Hey Jason!" I heard someone say. I looked over. "Yeah?" I replied "Do you wanna see this movie tonight?" and shows me a movie cover

"Yeah sure. What is it about?" I asked "Its about this boy, who has voices in his head. Its supposed to be scary, and theres a rumor that the person who watches it gets haunted" he said in a spooky voice "Yeah right. You aren't scaring me" I told him "I know you are scared. Stop acting tough!" He says as he is laughing

"I'll show you I ain't afraid! Lets watch the movie now. Lights off. Curtains drawn." I said "Alright! Lets see it!" He replied quickly.

After two hours, the movie over. He looks at me. "So hear any voices yet?"

"Only yours, how about you?" I answer "I hear tons of voices. Ones telling me you wont sleep tonight" He says. I walk up to my room. I lie down in the bed, and calm myself a little. I close my eyes

"kill..." I hear something whisper. I open my eyes and see my friend stand there.

"Real funny!" I said sarcastically

"So you are scared" He said

"No, leave me alone!"

He leaves the room. I close

Then I hear it again "Kill..."

I open my eyes. He isn't here anymore.

This time more intense "KILL" I get a headache and everything goes black...

## Chapter 2 by Supercomicbookgirl

The next morning, my head feels heavy, weighing more than lead it felt like. I kept hearing something or someone whispering to me. I told myself it was all just in my head, and needed to do something to clear it. It seemed Jason (my friend) had the same problem, as he had clearly not slept. "Hey dude, slept Well? You wuss" i teased. "As a matter of fact, i did" he lied, pretending to sound tough. "Don't lie to me, you're as white as a ghost" "no really" he said. As it was clear he wouldn't be giving in anytime soon i decided to just let it slide, and made myself some breakfast.

Somewhere in head nothing seemed right, Jason was starting to act strangely. I had the feeling he was up to something but i wasn't Sure what. I had tried asking him, but he just blankly stared into the distance. His eyes slowly started to look glassy.

What was wrong with him?
